Additionally, enrollment events are continuously being added to the calendar of events available at www.beWellnm.com. New Mexico residents are invited to attend these events to learn more about their health insurance options, financial assistance eligibility and more.

About New Mexico Health Insurance Exchange

New Mexico Health Insurance Exchange (NMHIX) was created to help individuals and small businesses get access to affordable health insurance plans. NMHIX helps consumers compare health insurance plans and choose the plan that works best for their health needs and budget. NMHIX also helps individuals determine whether they are eligible for premium assistance and if so, at what level. Through SHOP, small businesses are able to purchase competitively priced health insurance plans and offer their employees the ability to choose from an array of plans. Health Care Guides and insurance brokers/agents are available throughout the state to help with signing up for NMHIX coverage.
