“Amy Dowd has informed me she has accepted a new position and has provided her resignation as CEO of beWellnm, New Mexico’s Health Insurance Exchange. We are grateful to Amy for her valuable contribution to New Mexico during her time with the Exchange and we wish her well in her new role. Amy has agreed to remain with the Exchange through the next board meeting in late September and we will be working together with the beWellnm leadership team and Board of Directors to develop a solid transition plan. With our strong operational foundation, experienced leadership at beWellnm and the support of the board of directors, I am confident in our ability to continue to serve the people of New Mexico as we head into our fourth open enrollment this fall.”

- Dr. JR Damron, Chairman of the Board of Directors, beWellnm, New Mexico’s Health Insurance Exchange
