Benefits for Native Americans

- **Expanded access to care!** When you purchase health insurance coverage through [beWellnm](https://www.bewellnm.com) you can get services such as doctor visits, emergency room care and prescriptions with providers in the health insurance plan you choose. You may also continue to receive services at Indian Health Service, Tribal health providers or Urban Indian health centers.
- Health insurance covers emergency and specialty care outside of Indian Health care systems.
- Native Americans may qualify for no-cost or low cost health insurance.
- Depending on annual income, Native Americans may not have to pay certain out-of-pocket costs.
- Some people may have to pay substantial penalties if they do not enroll but Native Americans can apply for an exemption.
- Native Americans can enroll at any time during the year. The sooner you enroll, the sooner you can have peace of mind knowing you and your family have access to quality health care.
- Support Native American health care systems because health insurance can help pay for your care.
