Immigration status and beWellnm.

US citizenship or qualifying immigration status.

Immigrant eligibility for the Exchange should not be confused with Medicaid. Lawfully present immigrants have access to coverage through beWellnm. This includes some lawfully present immigrants who cannot get Medicaid due to a U.S. residency requirement. There is no time period that the legally present applicant has to reside in the U.S.

New Mexico State Residency

The applicant must currently reside in New Mexico and may not need to provide paper proof.
