Open Enrollment Season 2017

Albuquerque Enrollment Center

Wayne from Albuquerque

It is simple...the marketplace needs to be strengthened for 30+ million Americans, like me, until we have the single payer option.

I was concerned with the cost of Insurance, I was told my current plan was no longer available and coverage would cost me more. Misti helped me find coverage that is lower in cost and we verified my information and it will be less this next year.

I went into a center as a walk-in with no expectation to be seen the same day, but they were so helpful! I got to speak with a counselor, ask questions and get enrolled in an affordable plan! They made this usually painful process so pleasant! Thank you!

I didn't realize that beWellnm could save me a substantial amount of money every month on my health insurance. I am so pleased!

Open Enrollment Season 2017

Gallup Enrollment Center

Kathleen from Gallup

BeWellnm has always been good to me. I started my coverage in 2015 and have gotten good Qualified Health Plans. This is my last year before I get on Medicare. I am grateful for the services from BeWellnm.

Farmington Event at San Juan College – Broker Support

Anonymous in Farmington

Met with Robin Rodriguez, Broker. Robin helped me enroll with a Tax Credit. I wouldn't have done it myself, the paperwork is hard for a person like me to get on the computer. Robin taught me how to login and read, fill out my enrollment application. I encourage everyone to get health insurance with beWellnm.

Judy from Farmington

Met with Gabriel Rodriguez, Broker. I worked with Gabriel and he was very informative and educated me on the various options before enrolling.

Las Cruces Enrollment Center

Mark from Las Cruces

I tried to do it on the internet by myself, had trouble and glad to be able to talk to someone in person to guide me through the process.

Open House with Independent Agent, Martha Sanchez

I got #ENROLLEDFOR2018. I semi-retired from my job over the summer, which left me without coverage. So I saw this event in the Las Cruces Sun News and came on in to talk to the agent. It was a very smooth process and I'm now covered. It's just better to talk to someone rather than go online.

Open House with Tom Blanchard in Silver City, NM

Robert in Silver City

Nobody else will insure Silver City New Mexico except beWellnm. I'm glad they stepped up.
