# need health insurance?

what you don't know  
can cost you.

Getting affordable health insurance is a great way to protect your family's physical and financial health from the unexpected. People all over New Mexico are saving money on health insurance through beWellnm and it's as easy as signing up online or meeting with a beWellnm Certified Broker or Enrollment Counselor. And, our services are free. We can show you just how little you can pay for health insurance while getting comprehensive coverage for you and your family. We can even help you find out if you qualify for reduced premiums.

Be smart with your money and your health. Get insured at beWellnm today, because you just never know.

Call 1.833.ToBeWell (862-3935) or go to [beWellnm.com](http://beWellnm.com) to get help any time, day or night.
