

Federal changes are impacting your coverage.

Dear BeWell Customer,

The federal government has made changes impacting your eligibility for health insurance coverage through BeWell. Your coverage through BeWell will end 9/30/25.

Please know, these changes are not being made because of a BeWell decision, but because of federal regulations and laws recently implemented.

We have been working in partnership with the New Mexico Health Care Authority (HCA), who has created the **DACA Coverage Bridge Initiative**. Through this program, you will be able stay covered through the end of 2025 with financial help.

More information about the program and how to sign up will be sent to you in the coming days. Please be on the lookout. We want to ensure you do not have a gap in your health insurance, so you will need to take action as soon as details are sent to you.

While BeWell cannot help you enroll outside of the marketplace, we are grateful the **DACA Coverage Bridge Initiative** will allow you to keep your insurance for the rest of the year.

If your immigration status changes, please let us know, you may be eligible to come back to BeWell.
